TEXAS STATE CONVENTION

WELCOME

PURPOSE: The annual convention is to celebrate recovery throughout the State of Texas and in Narcotics Anonymous as a whole. The bodies will provide information, recovery, unity, and service and further the primary purpose of NA to stay clean and carry the message of recovery. The State Convention will be a diverse body of men and women, from all walks of life. We bodies shall represent the diverse cultures of the State of Texas and NA as a whole, so any addict who attends the convention will witness the work of our Higher Power and overcome the isolation from the disease of addiction.

OUR CONDUCT

Our actions this weekend are a reflection of NA as a whole. Please remember our conduct here will be remembered long after the close of the convention. We may be the only contact that the community has with NA; therefore it is important that we demonstrate our recovery in action. Thank you for your cooperation and good example.

PRESS STATEMENT

Our public relations are based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and film. No individual inside or outside of the fellowship represents NA. If a member of the press approaches you, please contact a member of the convention committee.
